Sculpture

University of the Arts

📅 Winter 2020 📍 London, United Kingdom

STRENGTHS

- Team Player
Collaborates closely with internal team members from design through fabrication.
- Attention to Detail
Listens intently and executes thoroughly, completing tasks and avoiding errors.
- Communication Skills
Expresses ideas clearly, both verbally and in writing.

HONORS

- 2021 President's Purchase Prize Winner
Each year following the Colby College Senior Art Exhibition, a jury of art educators and professionals, selects one meritorious project to win the President's Purchase Prize, which is then purchased by the school's Office of the President. This was the 2021 prize-winner and it is now on permanent display at Colby College.
